

Jack
Wolfskin

PERFORMANCE FOR EVERY DAY

For the new season, JACK WOLFSKIN has further developed the extraordinary 365 Collection. The **Capsule Collection** exclusively for **men**, which was very successfully launched last year, offers **modern products** that are perfectly suited to the active lifestyle of a new generation. Premium technological features and striking colour combinations make them absolute highlights. The target group: young, urban, social media-savvy and always on the move. Preferably outdoors. Ideal products for them: **distinctive styles** with bold colourblocking and many functions for maximum performance – 365 days a year!
